PRECEDENCE OF COMMONWEALTH HIGH COMMISSIONERS.

(*Extract from the London Gazette, 24th December*, 1948.)

Refer to page lxii, *and amend in accordance with the following :—*

" *Whitehall, December 24th*, 1948.

" The question of the style and precedence of High Commissioners of Commonwealth countries was discussed during the recent meeting of Commonwealth Prime Ministers in London. As a result of conclusions reached, His Majesty's Government in the United Kingdom recommended to The King that on all ceremonial occasions the High Commissioners in the United Kingdom for Canada, Australia, New Zealand, the Union of South Africa, Eire, India, Pakistan and Ceylon, together with Ambassadors of Foreign States should rank immediately after the Lord Privy Seal in a common order of seniority based on their respective dates of arrival in the United Kingdom for the purpose of assuming their official duties and that the High Commissioners be accorded the style of ' Excellency.'

" His Majesty has now been pleased to direct that the High Commissioners for Canada, Australia, New Zealand, the Union of South Africa, Eire, India, Pakistan and Ceylon, in the United Kingdom, as well as Ambassadors of Foreign States, shall be given precedence, on the occasions in question, according to the above principle. His Majesty has also been pleased to direct that the High Commissioners be granted the style of Excellency in the United Kingdom.

" The position of the High Commissioner of a Commonwealth country in relation to a Minister of the Crown visiting the United Kingdom from that country will remain unaltered ; and a Minister of the Crown from a Commonwealth country visiting the United Kingdom will normally be given precedence before the High Commissioner of that country.

" *The present notice replaces that which was issued in the London Gazette of January 27th*, 1931."
